Save the Date for Outdoor Adventures Under a Full Moon

COLUMBUS, Ohio (March 13, 2014)— Back by popular demand, the Full Moon Zip Tour at [ZipZone Canopy Tours](#) offers thrill seekers a chance to take aerial adventure to a whole new level. Sailing through the darkness with stars overhead, the moon shining brightly and the sounds of nature creates a one-of-a-kind experience.

“We had an overwhelming response from our guests last year and they’ve asked us for more, so we are giving them a full season of evening zip opportunities” said Lori Pingle, owner of ZipZone Canopy Tours. “The full moon tours pose the same challenge and excitement of a daytime trip, but under the light of the moon. I think it’s the unknown that makes these zips exhilarating.”
