

Ziplining Columbus, Ohio, at Night a New Adventure at ZipZone Canopy Tours Starting in July

Only ziplining tour in central Ohio celebrates one-year of offering guests an adventure-filled guided experience over 20 acres in an old growth forest

COLUMBUS, Ohio (July 8, 2013)—[ZipZone Canopy Tours](#) located at Camp Mary Orton has announced its newest adventure this season as it celebrates one-year as central Ohio's only zip line tour—the Full Moon Zip Tour.

The Full Moon Zip Tour is the new expert-guided and hands-free zip line experience offered by ZipZone that challenges the adventure seeker's appetite for outdoor excitement from the treetops—at night.

"The Full Moon Zip Tour is designed to be an unforgettable one-of-a-kind tour among our guests," said Lori Pingle, owner of ZipZone Canopy Tours. "Ziplining is a great adventure, but ziplining at night with only the light of the moon to see adds to the ZipZone excitement and experience."

Space is limited as only two tours will zip each of the two nights when there is a full moon (July 19-20, Aug. 23-24, Sept. 20-21, Oct. 18-19). The tours start at 8:30 p.m. and 9:30 p.m. and will move to earlier in the evening as it begins to get darker sooner as the season progresses. The cost for the two-hour tour is \$69 per person. Guests must register either online at www.zipzonetours.com, or by calling (614) 847-9477.

As part of ZipZone Canopy Tours' one-year anniversary, all adventure seekers who zip line [any ZipZone tour](#) the weekend of July 20-21 will receive free gifts and discounts to ZipZone and other area outdoor retail stores.
