ADVENTURE PARK

A playground in the trees! This self-guided aerial adventure park provides hours of thrills and challenges for all ages and abilities. Options range from a kids' course on the ground, through our mid-level trails, all the way to expert level black diamond challenges. We provide all your gear and teach you how to use it, then you set the pace. The adventure park is a series of platforms in the trees connected by ladders, bridges, ropes, ziplines and obstacles of every kind, all nestled in a beautiful forest on the edge of Columbus!
