ADVENTURE PARK

Join us for an amazing adventure; a playground in the trees! This self-guided aerial adventure park provides hours of thrills and challenges for all ages and abilities. At the heart of the park is the main treehouse platform with 5 separate elevated trails heading off and up into the tree tops. We provide all your gear and teach you how to use it, then you set the pace. The Adventure park is a series of platforms in the trees connected by ladders, bridges, ropes, ziplines and obstacles of every kind, all nestled in a beautiful forest on the edge of Columbus!

Your Adventure Park Birthday Party experience will include:
