

BIRTHDAY PARTIES

(AGES 7-12)

KIDS PARK

This awesome experience includes two kid friendly courses for ages 4-7. Designed specifically for this age group, kids can have their own adventure closer to the ground. The kids park is a scaled down version of our High Ropes Adventure Park that challenges kids with tight ropes, moving platforms, and mini zip lines. Kids will wear a harness and are given instructions by our trained staff before entering the course.

Your Kids Park Birthday Experience will include:

- An amazing time in the Kids Park for up to 8 climbers ages 4 to 7. Adult supervision is required per 1-5 kids supervising from the ground.
- This includes up to 2 hours of climbing and zipping with tons of challenge options!
- ZipZone Birthday invites to send to your guests.
- ZipZone favors to share with your guests after your climb.
- Use of one of our group area tents. This can serve as a "home base" for snacks, present opening, pizza or whatever you like!
- Contact us for details about adding Jet's pizza to your party package.
